READING

Hi! My name's Kerry. I'm a teacher in a secondary school in France and I teach teenagers. And after school on Wednesdays, I run a club for students who want to learn extra English. The students who come are 12 to 15 years old and they do it because they want to take exams or so they can use English on holidays. I love my job, but it isn't easy! My students have a long day at school too and I teach them

after that. There are 15 students in my club. We start at 4.30 and finish at 6.30 when we all leave for home! We have a break at about 5.30 and then we have a drink and something to eat, but we always speak English. I don't teach much grammar, but they learn a lot of new words in English. I ask questions and they answer. They speak in English all the time in the club and they do some homework for the next time. They usually do exercises and sometimes they read books or we go out to a museum or even the shopping centre. They like to watch English films and listen to English music. I really like my students! We talk about TV, sports and other things they do in their free time. My job is really interesting. They speak good English now, too. Do you want to start an English club at your school, too? It's great fun!
